

## Justina

### Surface Mounted Magnetic Pendant light

#### Features

- Anti-glare design
- Exquisite structure, high-grade appearance
- Low voltage operation to ensure electric shock safety
- High efficacy, high illuminance
- DC24V Safely Input Voltage

Surface Mounted  
Magnetic Pendant

UGR  
<13

IP Rating  
IP20

6  
years  
warranty

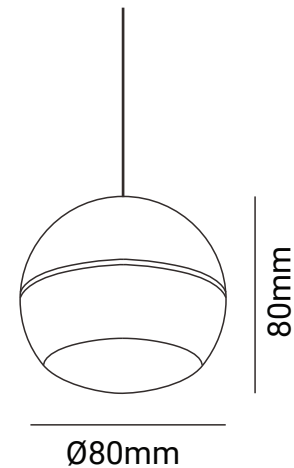

Standard Warranty

## TECHNICAL DATA SHEET - JUSTINA - 18986 - SURFACE MOUNTED MAGNETIC PENDANT LIGHT

### TECHNICAL DATA

|                                      |                                           |
|--------------------------------------|-------------------------------------------|
| <b>Product Data</b>                  | Magnetic Track Light                      |
| <b>Lamp Type</b>                     | BRIDGELUX LED                             |
| <b>Wattage</b>                       | 7W                                        |
| <b>Color Temperature</b>             | 3000K                                     |
| <b>Rated Luminaire Luminous Flux</b> | 490lm                                     |
| <b>Rated Luminaire Efficiency</b>    | 70lm/W                                    |
| <b>IP Rating</b>                     | 20                                        |
| <b>Voltage</b>                       | DC24V                                     |
| <b>Frequency Range</b>               | 50-60 Hz                                  |
| <b>CRI</b>                           | Ra>90                                     |
| <b>Power Factor</b>                  | >0.9                                      |
| <b>Operating Temperature</b>         | -20°C ~ +45°C                             |
| <b>Output Current</b>                | 290mA                                     |
| <b>Material</b>                      | Die cast aluminum body                    |
| <b>Finish</b>                        | Black Nickel                              |
| <b>Life Span</b>                     | 60,000 Hours                              |
| <b>Warranty</b>                      | 6 Years                                   |
| <b>Applications</b>                  | Residential, Commercial, Hospitality etc. |

### TECHNICAL OPTIONS

|                          |                                        |
|--------------------------|----------------------------------------|
| <b>Color Temperature</b> | 4000K, 6000K                           |
| <b>Control</b>           | Switchable/TRIAC/0-10V/Wi-Fi/Bluetooth |
