

A hand is shown holding a large, glowing circular light fixture. The hand is positioned on the left side of the frame, with fingers wrapped around the edge of the light. The light fixture is a thick, dark ring that glows with a warm, yellowish light. The background is dark and textured, possibly a wall or a surface. The overall mood is modern and minimalist.

A BETTER WAY OF LIGHTING

Delighted Beyond Expectation

Who we are

Founded in 2011 in Dubai, Arrco Lighting was established to fulfil a gap in the market of providing efficient solutions that reduce maintenance and energy consumption whilst exceeding clients’ expectations.

We are recognised as the market leader in UAE for the design and distribution of commercial, industrial, residential and healthcare lighting systems.

1975

Edison Electrical Service
Began Humbly
