## BEFORE YOU START

It is extremely important that these instructions are read carefully and any illustrations studied before commencing installation .

Please retain these instructions for future reference.

### WARNING!

- Electricity can be dangerous.
- Do not attempt to fit installation unless you are competent.
- If in any doubt consult a qualified electrician to complete electrical installation.
- Installation to comply with current IET wiring regulations
- The lighting is for use in a normal dry domestic indoor environment.
- If you find any damage to the electrical parts, please ask a qualified electrician to replace it.
- The external flexible or cord of this luminaire cannot be replaced; if the cord is damaged, the luminaire shall be destroyed.

### Installation

- Take care when handling and installing to avoid damage to the product.
- Avoid mounting the fitting on a damp surface such as newly painted or plastered area as this may cause discoloration of the finish.

### Tools

- allen key (screwpack included)

### Cleaning instructions and Care

- Take extra care when cleaning and assembling.
- Do not use any chemical or abrasive agents to clean the shade.

## General Assembly

1. Assemble the main body and stem as per diagram. Then tighten the screws by allen key.

2. Assemble the stem onto the base, as per diagram. Then tighten the screws by allen key.

3. Remove the wrap from the shade. Install the shade with ring. Put the bulb into lampholder

### Bulb Replacement

- 60w E27 (screw type) GLS bulb.
- Dispose of old bulbs with care.

Your light is now ready for use
